

THE MacLEAN FAMILY TREE

By Mrs. Janet McLean Metcalfe
of Ottawa, Ontario.
In the year - 1932.

Am sorry that I cannot give earlier history of the McLean family than 1786 - the year of Grandfather's (Donald McLean, Sr) birth. All I know is that the McLean's lived on the Island of Mull (which is known as The McLean Island) and that the present head of the McLean Clan is Sir Fitzroy Donald McLean. He is now a very old man and lives at Duart Castle, Mull. Duart Castle was restored and put into its present condition in 1912.

Later:- Sir Fitzroy Donald McLean will be one hundred years old in May, 1935.

Ancient clan of Maclean mourn passing of chieftain at age of 101
Isle of Mull, Nov. 23, 1936 - (C.P. Harris)

The mournful of bag pipes sounded in the Isle of Mull in the Inner Hebrides today as the ancient clan of Maclean mourned the passing of its 26th chieftain Sir Fitzroy Donald McLean, who died at his castle here yesterday at the age of 101.

Clansmen from all over Scotland were summoned today to Duart Castle, island stronghold of the Macleans to pay a final homage to the old man who during his life did much to revive the ancient traditions of his clan.

The mantle of chieftain relinquished by the 101 year old Laird was assumed by his 20 year old grandson, Charles Hector Fitzroy Maclean. Clansmen recalled to grandson Charles Hector Fitzroy, devotion to his clan which began when he was a boy and his father showed him the ruins of Duart Castle burned to the ground 200 years before.

Young Sir Fitzroy vowed to restore the castle which he did in 1912 after he had served many years in the British army with the Light Dragoons.

From 1866-1869 Sir Fitzroy served with the 13th Hussars in Canada where they have been sent to deal with the trouble feared as a sequel to the Fenian raids.
Sir Fitzroy succeeded his father in 1883 as Lord of the Maclean clan.

Edinburgh, Dec. 26, 1933

Thousands of Highland clansmen the world over will turn in tonight tomorrow to Duart Castle, Isle of Mull, the home of Col. Sir Fitzroy Maclean, 26 hereditary chief of the Clan Maclean. He celebrates the jubilee of his chieftainship. Now in his 99th year, Sir Fitzroy is the oldest Highland chief left. He came from London 7 years ago to take up residence in the ancestral stronghold. Sir Fitzroy enjoys good health and is keenly interested in the welfare of the clan.

Sir Fitzroy served in Canada with the 18th (?) Hussars from 1866-1869.

McLean — at Lochaber, P. D. Oct. 15, 1879.

The deceased was a native of the Isle of Mull, in Argyllshire, Scotland, came along with his family to Canada in 1829. He was baptised in the waters of the Ottawa & added to the Church in Clarence, Ont.

In 1829 Donald & Janet McLean & 8 children sailed Montreal & after a 7 weeks voyage reached Lochaber, Inverness where they bought a plot of unbroken forest bordering the Ottawa river.

William McLean for many years active in the business life of Canada and a member of a famous clan died recently at his summer home on Patricia Bay, Vancouver Island, July 19, 1933.

He was a member of the clan of which Sir Fitzroy Donald Maclean who purchased Castle Duart ancient stronghold of the Macleans on the island of Mull is the head. At a gathering of the clan in Mull he was represented by his nephew the late Col. Donald Hector MacLean, and his sister Mrs. J. Vincent Bays, of Ottawa.

Surviving are his wife and two daughters, Mrs. Alfred Sadler (now Dr. Olive Sadler, Vancouver, B.C.) and Mrs. Charles Thieblin, West Hartford, Conn. (Dr. Ethel Thieblin). The Thieblins have 2 children.

McLean - At Lachaber, P. L. Oct. 15, 1879, Donald McLean age 93 yrs

The deceased, a native of Mull, Argyleshire, Scot. came with his family to Canada in 1829 & settled in township of Lachaber, then ~~unbroken~~ wilderness. Thru his long life, he never required the services of a doctor & was in good health 3 days before his death. He leaves his wife aged 87 yrs. having been married 70 yrs. Living descendants are 10 grand-children, 56 great-grandchildren & 32 great-great-grandchildren. The only one of the direct family dead is the late Rev. Allan McLean who died in Michigan last May aged 62 yrs. His remains were followed to the grave by a very large no. of friends & acquaintances including all the leading men of the township. His death was improved by the writer in a discourse from 1 Thess. IV. 15, 16, 17. The deceased had been brought up a Presbyterian but like many was in that connexion, he had only the name & form, he had no saving interest in Christ. But in the year 1835, when Gilman, Fraser & the good John Edwards sr. were the means of the conversion of many souls along the banks of the Ottawa & other places, he was led to see & feel his lost condition as a sinner before God. Some little time after this he found peace to his mind by believing ^{on} that the Lord Jesus Christ's finished work was the foundation of his hope. He felt he was saved, and so continued to the day of his death. After his conversion he was baptized by John Edwards sr. in the waters of the Ottawa & added to the Church in Ottawa which met at that time in a house at Fox's Point. Of the Church, he continued a consistent & repeated member until he left it for the Church above. He had the pleasure of having his wife & most of his family along with him in Christ having the one Lord, the one faith, the one baptism. Br. McLean was a good & kind man & loved the cause of Christ. He did not talk religion but he lived it. During the last yrs of his life he & his dear partner spent a great part of their time in reading the Bible together & singing Grant's Gaelic hymns of which they were very fond. He is now gone & she will for a short time miss his company, until they meet again in their Father's house above. Ji Kong -

The family to which the subject of this sketch belongs came from the Isle of Mull, Scotland. There they lived on a little rough farm beside the sea; but the patch of stony ground gave such meagre returns that they were driven to amphibious habits. From the sea they got fish & fowl enough to make up a living & were enjoying a healthy tho' narrow contentment when their nest became too small for the growing family. The boys began to talk of becoming soldiers or sailors. Then the parents to save themselves the pain of dispersion & to give the ambitious youths elbow room began to cast about for larger quarters. After careful inquiry, they decided to follow some friends to the bush farms of Canada.

In 1829, Donald & Janet McLean with their 8 children sailed westward & after seven weeks' voyage reached their destination in the township of Lachaber, Quebec. Here they bought a section of

ALLAN McLEAN and FAMILY

(The third son)

I really know very little about this dear Uncle. He was very handsome and gentlemanly. Moved just after his graduation as a Baptist minister in Montreal to Pewamo, Mich., where he lived all his life. He was twice married. I do not know his wives surnames. The first was Lucy - a sweet and beautiful woman. The second was Sophia. There were no children by the second marriage. Allan and Lucy had two sons - Ralph and George. George died when he was about seventeen. We have lost completely all trace of Ralph and do not know anything about him. Uncle Allan died in Pewamo Mich., when he was sixty three years of age. This death was the first break in the McLean family.

unbroken forest bordering the Ottawa & planted a
goodly vine that has since spread far & wide & that now
members its members by hundreds.

These new settlers met the hardships incident to
pioneer life & endured them cheerfully. God gave them
health, material plenty & great spiritual blessing. The family
of 11 became strong men & women without the assistance of
a doctor & settled conveniently so that until recent years
many happy seasons were enjoyed. It was their custom
to assemble each New Year Day at the old family homestead.
Sometimes the grand children & great grandchildren
would swell the company to large proportions. The rare
& beautiful sight of such occasions was the unbroken
family of 13 as they were seated at the table. The aged parents
occupied the ends & ranged on either side were the 11
gray haired boys & girls. The circle was one in spirit as well
as form. All owned the same Heavenly Father & spent the day in
praise & sweet foretaste of the eternal home.

Taken as a group the McLean family form a
beautiful, if not a brilliant cluster. None is a very lustrous
gem, nor yet dull & small. They are above the average in
physical strength, intellectual gifts & moral virtues. It is
seldom that so much true health, sound sense & practical
godliness can be found in a family of like number.

While 5 of them are living, & likely to live for years
it is too early to settle their average length of life which is
now nearly 77 years. The father died at 93. The mother survived
him 6 yrs & "Slipitawa" at 95. Neil, the eldest son, after
serving his generation by the fear of God "fell asleep" at 85.
John the second son is buoyant at 87 & appears to have
momentum enough to keep him going to the hundred.

Hector the fourth son was of boyhood when he came
with his parents to Rochester. During his teens he was strongly
influenced by the teaching & examples of 2 godly uncles
Neil Campbell & Duncan McCallum. The former was the
spiritual leader in the settlement who conducted Sunday
school, prayer & temperance meetings & never tired of advocat-
ing the new birth & the temperance pledge. The latter was the
schoolmaster who taught in the fear of God & had an eye for
"the loss of spirits". When 19 Hector with 7 others of the family
were led to Christ & baptized during the great revival
under Gileman & Edwards. His older brother Allan soon after
his conversion studied for the ministry & spent his life in
the pastorate. Hector began active Christian work as soon
as converted but did not decide to preach until 6 yrs later.

Bedtime stories told by Mary Wilson McLean to her children.

One of her favourite stories was about the coming of herself from Scotland to Canada. Her father had died in Scotland & she & her brother Robert came with my Grandmother Wilson to this country when my mother was only 6 yrs old. They were shipwrecked in the Gulf of St. Lawrence. All the small children, including her mother, were put in blankets that were slid along ropes by sailors & landed on an island near the vessel. The ship sank but not before all the passengers were safely landed and food enough gotten off to last several days. The island was inhabited by Indians who proved to be friendly & they brought the shipwrecked passengers meat & game of all kinds. After a time a vessel came to the rescue & the passengers were all then taken safely to Quebec. This as I have said was one of our favourite stories & was much in demand. If mother would not let it word for word, as she generally did, we would carry it her saying it was so & so & happened in this way, proceeding to tell the story ourselves, as she generally did.

The McLean family was the second to settle in Rochdale, Canada. Their house was a part of Hospitality Hall. It became the home of all new settlers until they had gotten up their log cabins & cleared land in the bush to make homes for themselves.

Donald McLean was exceedingly hospitable. Indeed it was said of him that he spent most of his time sitting on a fence by the roadside near the house from which he literally compelled passersby to go into his house to eat & drink & stay as long as they would. He was very handsome, medium size, fair skin, auburn hair & keen brown eyes. Some of his descendants were much like him. Most like him was William Archibald, third son of Donald McLean, jr.

Donald McLean died in 1879. His wife in 1886. Both are buried in the little Scotch cemetery at Rochdale, Quebec.
